ABOUT TWO BOOTS

Two Boots was created in NYC's East Village in 1987 by two indie filmmakers who loved pizza, beer and all things New Orleans (the two "boots" refer to the geographical shapes of Italy and Louisiana!). Our locations include NYC, Connecticut, Los Angeles, and Baltimore, but wherever we go, we try to bring our family-friendly service, funky folk art and deep commitment to the community.

Zone 1 - Free / Zone 2 - \$5 delivery charge
